

AMENDMENTS TO THE DRAWINGS

The drawings have been amended as follows:

- 1) Drawings 1-8, which were previously located on separate sheets, have now been paired (except Fig. 9) on new sheets.

New Sheet 1 (Figures 1 and 2)

New Sheet 2 (Figures 3 and 4)

New Sheet 3 (Figures 5 and 6)

New Sheet 4 (Figures 7 and 8)

Replacement Sheet 5 (Figure 9)

- 2) Fig. 1: Reference numerals 40 (conical cavity), and 50 (ball bearings) were added to Fig. 1; support for these features can be found at page 6 of the specification.
- 3) Fig. 3 and Fig. 4: Reference numerals were added showing interstitial regions (90).
- 4) Fig. 4: Reference numerals and shading were added to show optional filler (100) within interstitial regions (90).
